

Ciao e benvenuto nel kiosque.

As an wine and pasta bistro with huge new
york-italian influence, fantastic
snacks, delicious pasta, sourdough pizzettas and
the probably best tiramisu in town, we want to
showcase good hospitality, heartwarming cuisine
and make you feel like home.

A house bar with everything your heart desires,
good music, nice people and every now and then
someone shouts through the room that pasta is
ready.

While Jonas, Emily, Alex, Hanna, Fee, Lena,
Theresa, Yendric and Jochen take care of bubbles,
beer, wine and easy drinks in familiar Kraken style,
Philipp, Lars, Tim and Marcus are responsible for
the antipasti, stunning salsiccia con fagioli and the
best spicy vodka rigatoni east from new york.

There is no room for racism & sexism.
There always will be room for tolerance, time and
amore.

We don't take bookings, just rock up and we find a
seat. **Gifts can drastically increase your chances.**
