ciao ragazzi

Moin.

Tagsüber Breakfastpub und Sauerteigbäckerei,

Abends Weinbar mit besten, italienischen Speisen aus der offenen Küche.

Doch wann auch immer ihr kommt, der kiosque ist am Ende ein Ort wie ein Zuhause, das zweite Wohnzimmer. Eine Hausbar mit allem was das Herz begehrt, beste Musik und gute Magazine, das leckerste Tiramisu der Stadt, eine Schale mit Süßigkeiten und ab und zu ruft jemand durch den Raum dass Mom's Spaghetti fertig sind.

Während sich Jonas und sein Team in berühmter Krakenmanier um Schaumwein, Bier, Wein und beste Drinks kümmert, ist Lars in der Küche für die Antipasti, Sauerteigpizza und frische Pasta verantwortlich.

Wir sind vieles, manchmal alles, aber auf jedenfall kein Ort für Nazis, Sexisten oder Arschlöcher. Hier ist Platz für Toleranz, Zeit und Liebe.

Ciao.

*During the day a breakfast pub and sourdough bakery, in the evening a wine bar with the best Italian dishes from the open kitchen. But whenever you come, the kiosque ends up being a place that feels like home. A house bar with everything your heart desires, the best music and good magazines, the tastiest tiramisu in town, a bowl of sweets and every now and then someone shouts across the room that Mom's spaghetti is ready.*

*While Jonas and his team take care of bubbles, beer, wine and the best drinks, Lars in the kitchen is responsible for the antipasti, sourdough pizza and fresh pasta.*

*We are many things, sometimes everything, but definitely not a place for Nazis, sexists or assholes. There is room for tolerance, time and love.*
